## TO THE PEOPLE'S PARTY.

An Address From the Territorial Central Committee.

HEADQUARTERS TERRITORIAL CENTRAL COMMITTEE OF THE PEOPLE'S PARTY, SALT LAKE CITY, October, 1888

To the County Central Committee of the People's Party:

Gentlemen:—As the time is approaching for the election of a delegate to Congress, we deem it wise and proper to address you briefly on the political situation in this Territory.

The People's Party stands upon the platform of principles which has sustained it heretofore. They are founded in the fundamental truths that underlie our national system. They are imperishable and indestructible.

We see no reason to turn from them or to make any change in the character or the name of the organization which has

SUCCESSFULLY MAINTAINED THEM For many years. The People's party is intact, and should be preserved in its integrity until the people of Utah have obtained their full rights and privileges as American citizens. There is ample room upon its platform for every citizen of Utah who venerates the Constitution of our country and is willing to obey the laws made in pursuance thereof, and who desires the triumph of local self-government, no matter what may be his opinions or affiliations upon national issues. It is a party of the people and for the people, and is devoted to the people's interests. There is no need for any voter who wishes for the

WELFARE OF THE TERRITORY. To separate himself from the People's party in order to work for national purposes. Indeed, such a course would be detrimental to local interests, while it would accomplish nothing in the broader political arena.

In past contests our strength has been in our unity. We have not been conquered because we would not be divided. The alleged branches of the national parties in this Territory have each resolved and proclaimed that they will not act on party lines, but work under the name of "Liberals" against the People's Party. They set forth in vigorous words

THE FOLLY OF DIVISION as Democrats and Republicans.

Under these circumstances, common prudence, if nothing else, would suggest that the members of the People's Party should engage in no movement tending to separate them into other parties or factions, and make no pledges which would prevent their full co-operation with their tried and true friends. In the face of combined hostility against them. Such division would, perhaps, not materially affect the result in the election for Delegate to Congress, but might become disastrous when local issues in the counties and cities shall be at stake. In our opinion the time has not come for the people of Utah to organize under any national party name but every interest and indication urges the necessity of closer union, and more determined action as the party of the people.

THE PARTY NOMINEE. At the Territorial Convention, Hon. John T. Caine our faithful and efficient Delegate in Congress, was renominated by acclamation. Let the voters of Utah imitate their representatives and rally to the unanimous support of the nominee of the People's Party, and avoiding all entanglements and attachments that would tend to separate their interests and influence, cling to the party under which they have heretofore fought their political battles and achieved a succession of signal victories.

By order of the Territorial Central Committee.

JOHN R. WINDER, Chairman.

ELIAS A. SMITH, Secretary.

Bartollet's Murderer.

BREXID, October 16.—A courier has arrived here from Congo Free State. He brings the details of the death of Major Bartollet, who was shot and killed with a revolver by a porter in the Stanley relief expedition. In revenge for the ill treatment he was subjected to by Bartollet. The murderer was placed under arrest and delivered to the officials at Stanley Falls. He has since been hanged for his crime.

A Double Help for the Billious.

In addition to that chief remedial measure—the use of Hostetter's Stomach Bitters—persons suffering from an acute bilious attack, will facilitate recovery by the use at first of milk and lime water and thin gruels, and by a very gradual return to the use of solid foods. Fatty substances should be excluded from the diet. Blue pill is a remedy of doubtful safety, particularly if there be nausea and vomiting, frequent concomitants of liver trouble. The Bitters, provided its reformatory action be not retarded and marred by indiscretions in diet, will soon restore the equilibrium of and action of the liver, stomach and bowels, all three disordered by biliousness. In all forms of malarial disease, which in every one of its phases presents indications of liver trouble, Hostetter's Stomach Bitters is the foremost of specifics. The light of over thirty years' experience also shows it to be a true remedy for rheumatism, kidney troubles, dyspepsia, nervousness and debility.

When the hair shows signs of falling, begin at once to use Ayer's Hair Vigor. This preparation strengthens the scalp, promotes the growth of new hair, restores the natural color to gray and faded hair, and renders it soft, pliant and glossy.
